

Training Path - Section Three:

“The Land”

**Erasmus + KA2 – Strategic Partnership (2014-1-
IT02-KA200-003613)**

The third and final section of the training pathway relates to final story outputs: the digital archiving of stories, and the upskilling of participants in the use of “The Land” online platform. With close attention to the concept of continuous learning this section will build upon previous training and provide an archive gateway for storytelling output modes.
